

Get Control Of the Moisture and Save Energy

The Energy Expert Solution:

Run your air conditioner less with a Honeywell Whole-House Dehumidifier

Having a Whole-House Dehumidifier allows you to maintain a comfortable indoor environment while saving on energy costs associated with running your air conditioner.

For Cooling Season:

Whole-House Dehumidifier

- A home with proper dehumidification feels cooler, so you can reduce the run time of your air conditioner while maintaining a comfortable indoor environment.
- Bring in fresh filtered outside air while removing stale, humid indoor air.
- 45% more efficient than comparable brands.
- More effective than portable, single-room dehumidifiers.
- Meets American Lung Association® Health House® guidelines.
- 5-year warranty.
